Schonbek Geometrix	DV1212A	<p>Da Vinci 12 Light Ceiling Pendant, Chrome, Spectra Crystals</p> <p>Da Vinic is a perfectly round crystal chandelier. To make perfection possible, Schonbek came up with a radical new construction method. Thousands of crystal octagons of different sizes are precisely positioned to emanate an almost celestial luminosity.</p> <ul style="list-style-type: none"> • Height: 12 inches • Width: 12 inches • Lamping: 12 - Halogen G9 40 Watt (Included) • Lamp Type: Halogen 	<p>List: \$4,493 Sale: \$3,295</p> <p>CALL FOR ADDITIONAL DISCOUNT</p>

Schonbek Geometrix	VR0205-BB	<p>Vertex 1 Light Mini Pendant, Chrome, Beyond Blue Crystal</p> <p>Vertex draws its energy from that most ancient of forms, the pyramid - sharply inverted, and underscored by a dramatic Strass crystal spike. Schonbek Geometrix	MT0510-HG	<p>Matrix 1 Light Mini Pendant, Chrome, Harvest Gold Crystal</p> <p>These Matrix designs take the form of cubes and rectangles. They range from piercingly bright 3-inch squares to massive blocks of iridescent crystal that will dominate any space. A shimmering parallelogram of dense crystal, Matrix in its larger sizes has the visual impact of a contemporary sculpture. At the same time, it functions as a practical and powerful downlight.</p> <ul style="list-style-type: none"> • Height: 10 inches • Width: 4.5 inches • Length: 4.5 inches • Lamping: 1 - Halogen MR16 50 Watt (Included) • Lamp Type: Halogen 	<p>List: \$1,766 Sale: \$1,295</p> <p>CALL FOR ADDITIONAL DISCOUNT</p>

Schonbek Geometrix	EL0408-SG	<p>Elements Cylinder Mini Pendant, Chrome, Sage Crystal</p> <p>Here circular reasoning led to something exceptional: the creation of a cylindrical shape for Matrix. A Matrix cylinder looks perfect from every angle. The smallest size achieves importance by means of a dramatic Strass crystal exclamation point. Pure white halogen light ignites the crystal to form shimmering auras of color. These special effects remain totally mysterious, since the light source is invisible behind a dense curtain of dazzling crystal.</p> <ul style="list-style-type: none"> • Height: 8 inches • Width: 3.5 inches • Lamping: 1 - Halogen MR16 50 Watt (Included) • Lamp Type: Halogen 	<p>List: \$1,199 Sale: \$879</p> <p>CALL FOR ADDITIONAL DISCOUNT</p>

Schonbek Geometrix	TW0511-FL	<p>Twist 1 Light Mini Pendant, Chrome, Fire Opal Crystal</p> <p>Twist is frankly exotic. We can envision it in a Russian tearoom or the palace of a fairy tale princess. It makes mysterious use of space to achieve ethereal effects. Crystal combinations defy the laws of color compatibility with confidence. The Twist reminds us that the universe may have more than three dimensions. Strands of shimmering crystal twist around a central axis, creating a network of unexplained spectral brilliance. The swirling finial crystal mirrors the swirling body in its faceting.</p> <ul style="list-style-type: none"> • Height: 11 inches • Width: 5 inches • Lamping: 1 - Halogen MR16 50 Watt (Included) • Lamp Type: Halogen 	<p>List: \$858 Sale: \$629</p> <p>CALL FOR ADDITIONAL DISCOUNT</p>	  <p>crystal</p>
